SPECIAL DEALS UNDER THE MICROSCOPE

Binocular and trinocular compound microscopes provide the opportunity for students to progress towards more sophisticated compound microscopes which are used at tertiary, research or industry level, but at a price to fit your school budget.

MONOCULAR BIOLOGICAL MICROSCOPE

Suitable for lower school, years 7-10

- 4X/10X/40X objective
- Wide field eyepiece with pointer
- An affordable entry level microscope
