Dear Sir/Madam,

The Royal Flying Doctor Service of Australia would like to thank you for the generous donation.

The support will assist us to expand our preventative and primary health care services to communities in rural and remote areas and emergency retrievals.

As a charity we rely heavily on fundraising and donations from the community to purchase and medically-equip our aircraft, and to finance other health and major capital initiatives. Thank you for helping us to provide health care to Australia's rural and remote communities.

Yours Sincerely
